

Legal Deeds Collection

MSS: #010

Processed by: Sarah Lynch, May – July 2012

Volume: 6 boxes, 3 lin. ft.

Abstract:

The Legal Deeds collection consists of 3 linear feet of 17th to early 20th century legal deeds, primarily dealing with real estate transactions throughout the entire city of Beverly. These were compiled by several important local individuals who handled estates and other transactions, including Robert Rantoul and John I. Baker, the first mayor of Beverly. Most of the deeds are between important local families or those from out of state who still had real estate and property ownership within Beverly.

Each folder has the deeds in chronological order. The item number listed in the content list is associated with being able to find digital images of the deeds on the server at the Beverly Historical Society.
